

Mountain Harbour Utilities

Last updated April 7,2020

Blue Ridge Mountain Electric (BREMEC)

BREMEC provides underground power, land line telephone and internet to most of the development as well as extensive fiber optics coverage.

BREMEC may be reached at 706 379-4832

Mountain Harbour has its own water and sewer system covering much of the development. It is owned and maintained by Carolina Water Services (800 525-7990) (see water and sewer map)

Windstream Communications (706 896-4176) provides landline telephone service with internet and high speed option.
