

With the State Of North Carolina recently relaxing more of their COVID-19 restrictions we are pleased to announce that our Mountain Harbour gym/exercise facility is again open for member use.

A new access code has been programmed to ensure only authorized POA members and their guests can use our facility.

In view of ongoing COVID-19 concerns and in an effort to manage the access and usage of the gym/exercise facility we will not be broadcasting the new access code. Please stop by the Pro Shop and our team will gladly provide you with the new access code.

While the facility is open again, there are still restrictions and requirements in place, including: (a) no more than five (5) people in the gym at the same time, and (b) please clean/wipe/sanitize the equipment after each use.

Please use and enjoy our wonderful exercise facility safely and responsibly.
