Dear Friends and Members of Mountain Harbour Golf Club:

It is that time of year to renew your membership in our magnificent mountain jewel for the 2021 season. Our staff has been working diligently throughout the winter to improve the golf experience and make your rounds satisfying, fun, and scenic. We have improved sight lines, cleared many of the hidden beautiful water features and added foot bridges to some of the low areas of the course to keep you neat and clean during the round.

Attached you will find the price lists that have been established by the Property Owners Association Board. Compared to other courses in the area, our prices are competitive and affordable. Memberships begin on the 1st of April and run thru March 31, 2022.

Our General Manager and his professional staff stand ready to assist you in all your golfing needs, or should you have any questions. Can't wait to see you at the Club!

Sincerely,

Jorge Azor
President
